Winter and Spring Bedding

Winter and Spring Bedding

Garden ready plants
Available in packs of 15 and 30. Plants are usually 10-15cm high depending on the variety. These super-size plants are despatched at the perfect time for planting out, usually before blooms form, so all the plants energy has gone into producing a strong root system. This helps then to establish quicker for better growth and a longer stronger display of flowers. *Delivery: Aug-Oct*

Value plug plants
Plug trays of 24, 36, 48 and 72 are the best way to get lots of plants for your money. Generally 3-6cm high from base to tip, these healthy plugs will require potting on into larger trays or pots and growing on until they're large enough to plant out into flower beds, borders and containers. *Delivery: Aug-Sept*

Garden Ready

Garden Ready plants are an even easier way to enjoy summer perennials. We do the 'growing-on' part for you, and then these super-size plants are despatched in autumn, at the right time for putting straight into borders or containers. Plants will develop over winter and produce fresh new growth in spring, ready for a longer, stronger display of summer flowers.

Here's a typical garden ready plant on arrival
