### Assembly

**Treatment**

The hedgehog house comes already pre-treated on the outside. Periodically, the wood will need to be treated with water-based preservative, but only on the outside. On no account should the hedgehog house be creosoted or treated with non-water-based preservatives or paint as the fumes remain for a long time and can be very harmful.

Please note that due to the natural properties of timber, parts may swell when subjected to changes to temperature and humidity (i.e. moving the hedgehog house from outdoors to indoors or changes in seasons).

## GUARANTEE

### IMPORTANT

**Please do not return this product without first calling the Customer Service number below:  
0871 911 7031\***
